

3 February 2009

PROVEXIS plc
(“Provexis” or the “Company”)

**EXTENSION OF EXCLUSIVE FRUITFLOW[®] TECHNOLOGY ASSESSMENT
AGREEMENT WITH THE COCA-COLA COMPANY**

Provexis plc (PXS.L), which discovers, develops and licenses scientifically-proven functional food, medical food and dietary supplement technologies, announces the extension of its exclusive technology assessment agreement for its patented Fruitflow[®] anti-thrombotic technology with The Coca-Cola Company until 31 March 2009.

The exclusivity agreement covers all beverages, with the exception of mini-drinks. During the assessment period both parties will continue a programme of work including commercial and regulatory assessment.

-ends-
