- a) the maximum number of ordinary shares that may be purchased is 78,090,781 (representing 5% of the Company's issued ordinary share capital);
 - b) the minimum price (exclusive of expenses) which may be paid for each ordinary share is 0.1 pence;
 - c) the maximum price (exclusive of expenses) which may be paid for each ordinary share is an amount equal to 105% of the average of the middle market quotations for an ordinary share of the Company on the relevant investment exchange on which any such ordinary shares are traded for the five business days immediately preceding the day on which the ordinary share is contracted to be purchased;
 - d) the authority conferred by this resolution shall expire on the conclusion of the next Annual General Meeting of the Company or 15 months after the passing of this resolution, whichever first occurs (unless previously renewed, varied or revoked by the Company in general meeting); and
 - e) the Company may, before such expiry, enter into one or more contracts to purchase ordinary shares under which such purchases may be completed or executed wholly or partly after the expiry of this authority and may make a purchase of ordinary shares in pursuance of any such contract or contracts.

Consideration of section 656 of the Companies Act 2006

Section 656 of the Companies Act 2006 ('section 656') was brought to the attention of the Directors as part of the year end accounts and audit. Section 656 states that where the net assets of a public company are half or less of its called-up share capital, the directors must call a general meeting of the company to consider whether any, and if so what, steps should be taken to deal with the situation.

The Directors have noted that, as at 31 March 2014, the net assets of the Company were £411,302, which is less than half of the nominal value of its called-up share capital of £1,554,816. The net assets of the consolidated Group at 31 March 2014 were £535,075.

The annual financial statements of the Company for the year ended 31 March 2014 and the reports of the Directors thereon include a going concern statement which confirms that the Directors have prepared projected cash flow information for a period of more than twelve months from 20 August 2014, the date of approval of the financial statements, and have reviewed this information as at 20 August 2014. The Directors have also considered this issue in light of the significant reduction in net assets following the demerger of the SiS (Science in Sport) Limited business.

As noted in the financial statements, the operating costs of the Group were substantially reduced during the last financial year. In addition, the Company has access to future equity financings, either through the Company's existing equity drawdown facility with Darwin Strategic Limited or through an equity fundraising with the Company's shareholders, as potential additional sources of funding.

Based on the level of existing cash, projected income and expenditure, and excluding the potential additional sources of funding, the Directors are satisfied that the Company and the Group have adequate resources to continue in business for the foreseeable future. No resolution is being put to the General Meeting in connection with section 656 and it is the Directors' current view that the most appropriate course of action is to continue to maintain tight control over the running costs of the Company and to wait for revenues from its core Fruitflow® product to increase.

You can only appoint a proxy using the procedures set out in these notes and the notes to the proxy form.
3. A proxy does not need to be a member of the Company but may only attend the Annual General Meeting to represent you. Details of how to appoint the Chairman of the Annual General Meeting or another person as your proxy using the proxy form are set out in the notes to the proxy form. If you wish your proxy to speak on your behalf at the Annual General Meeting you will need to appoint your own choice of proxy (not the Chairman) and give your instructions directly to the proxy.
4. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share and the proxy last delivered (regardless of its date or the date of its execution) shall be treated as replacing and revoking the others as regards that share, if the Company is unable to determine which was last delivered, none of them shall be treated as valid in respect of that share.
5. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If you indicate on your proxy form that your proxy "may abstain from voting at his or her discretion" or no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the Annual General Meeting.

Resolution 1 - Annual Financial Statements

The Directors are obliged to lay the annual financial statements before the Company in general meeting.

Resolution 2 - Appointment of Auditors

The Company is required to appoint auditors at each Annual General Meeting at which accounts are laid. This resolution proposes the re-appointment of Chantrey Vellacott DFK LLP as auditors.

Resolution 3 - Remuneration of Auditors

This resolution authorises the Directors to agree the remuneration of Chantrey Vellacott DFK LLP as auditors of the Company.

Resolution 4 - Retirement by rotation

Under the provisions of the Company's Articles of Association, at every Annual General Meeting one-third of the Directors (or the number nearest to and less than one third) shall retire from office and may offer themselves for re-election. Ian Ford, being eligible, offers himself for re-appointment.

Ian Ford, the Company's Finance Director, was first appointed to the Board in 2007. Ian has held senior finance positions with Rubicon Group plc and SITEL Europe plc, playing key roles in the rapid growth of these groups. Ian qualified as a Chartered Accountant in 1991 and his early career was with PricewaterhouseCoopers.

Resolution 5 - Authority to allot shares

Under section 551 of the Companies Act 2006 (the "Act"), the Directors of a company may only allot shares if authorised to do so by the company's articles or by a resolution of the Company. This resolution, if passed, will renew the section 551 authority given on 30 September 2013.

Resolution 5 is an ordinary resolution which will allow the Directors to allot new shares up to a nominal value of £520,605 which is equivalent to one third of the total issued ordinary share capital as at the date of this Notice.

This authority will expire at the conclusion of the next Annual General Meeting or fifteen months from the date of the resolution, whichever is the earlier.

Resolution 6 - Disapplication of pre-emption rights

If equity securities are to be allotted for cash, section 561 of the Act requires that those equity securities are offered first to existing shareholders in proportion to the number held by them at the time of the offer and otherwise in compliance with the technical requirements of the Act. However, it may be in the interests of the Company for the Directors to allot shares other than to shareholders in proportion to their existing holdings or otherwise than strictly in compliance with those requirements.

Resolution 6 is a special resolution which, if passed, would allow the Directors, pursuant to section 570 of the Act, to allot shares for cash without first offering them to shareholders in accordance with that Act. This power is limited to allotments of equity securities for cash up to a maximum nominal amount of £234,272, which is equivalent to 15% of the total issued ordinary share capital of the Company as at the date of this Notice, and allotments of equity securities in connection with a rights issue or other offer to shareholders, subject to the Directors' ability to make arrangements to deal with certain legal or practical problems arising in connection with such offer. This power will expire on the conclusion of the next Annual General Meeting or fifteen months from the date of the resolution, whichever is the earlier. This renews the power given on 30 September 2013.

Resolution 7 - Authority to purchase own shares

The Companies Act 2006 permits a company to purchase its own shares provided the purchase has been authorised by the company in general meeting. To provide the Directors with flexibility for the forthcoming year this authority is being sought at the Annual General Meeting.

Resolution 7 is a special resolution which, if passed, would give the Company the authority to purchase its own issued ordinary shares at a price of not less than 0.1 pence per share and not more than 105% above the average of the middle market quotations for the Company's shares for the five dealing days before the purchase is made. The authority would be to purchase a maximum of 5% of the Company's issued share capital as at the date of this Notice and would expire at the end of the next Annual General Meeting or fifteen months from the date of the resolution, whichever is the earlier.

The Directors would not make purchases unless they believed that the purchase was generally in the best interests of the shareholders and unless (except in the case of purchases intended to satisfy obligations under share schemes) the expected effect of the purchase would be to increase earnings per share of the remaining shares. Any shares purchased pursuant to this authority may either be held as treasury shares or cancelled by the Company, depending on which course of action is considered by the Directors as being in the best interests of the shareholders at the time. The Directors have no present intention of making such purchases. This renews the power given on 30 September 2013.
